Chairman's Message

The growth of **Venkatesh Buildcon** is one of undying commitment, determination, and tenacity.

We have grown as I had the courage to dream big and make it happen. At present we are recognised as a brand that delivers nothing short of the best. We have completed **24 years** in the industry and now we embark on our **25th year**, celebrating our organisation's silver jubilee. During this time, we have crossed several milestones and we still believe that the best is yet to come!

Our top priority is the comfort of our customers along with complete transparency. With our eco-friendly projects and commitment, we strive to deliver value for their money. We want our customers to feel satisfied with their investment and earn their trust. We value environmental conservation, meticulously adhering to environmental protection norms and regulations in all our designs and execution.

Currently we, at **Venkatesh Buildcon**, are having a golden run and evolving every single day. In the years to come, we wish to break the stereotypes of the real estate industry and emerge as a leader.

Director's Desk

The Management Team at

Venkatesh Buildcon always takes up new challenges with the same vigour and passion. The team's 'Never Say Die' spirit and the determination to offer nothing less than the best to their customers is commendable and it is one of the cornerstones of our business. It is only because of the management team's hard work, dedication, and passion that **Venkatesh Buildcon** enjoys a position at the forefront in the real estate industry.

We have built
a legacy of

TRUST AND INTEGRITY

by building homes
that add value to your life

Going the Extra Mile For You

There is an age old saying that perfectly describes **Venkatesh Buildcon's** core purpose - 'The strength of a nation is derived from the integrity of a home'. Since our establishment in 2000 we have wholeheartedly focused on being a brand that has people's best interests at heart. Over the span of two and a half decades, we have successfully achieved this by making the housing dreams of countless people come true. Our continual contribution towards the nation's real estate industry speaks volumes of our passion for carefully designing and skillfully delivering opulent homes.

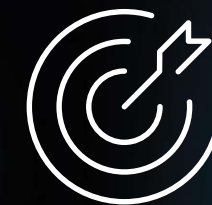

Vision

To become a reliable organisation with an esteemed global presence, renowned for delivering high-quality structures that foster vibrant communities.

Mission

To deliver world class developments that prioritise integrity, superior craftsmanship, creating lasting value for our stakeholders and fostering vibrant neighbourhoods where people can thrive.

Values

Compliance & Quality Assurance

Adherence to legal guidelines and maintaining a benchmark for quality standards are our top priorities, which have helped us build trust over the last 20 years. We recognise our responsibility to diligently follow all real estate rules and regulations and to protect our customers.

At our core, punctuality drives us and ensures we consistently meet our deadlines. Thanks to our streamlined processes and skilled team, we provide clear, upfront communication about our services, fostering trust and reliability that our customers value.

Timely Delivery & Transparency

Customer-centric Approach

Our customers are at the heart of everything we do. We prioritise their needs, preferences, and budget in each of our projects. By committing to honesty and responsiveness, we ensure transparency at every stage, empowering homeowners throughout the planning and construction process. This customer-centric approach has solidified our reputation for exceptional service and quality homes.

Redevelopment Projects

Venkatesh Buildcon understands the importance of starting something new which is mostly centered around the spirit of a refreshing start. A new initiative called "New way of living" has been introduced to provide a golden opportunity to families to remould their lifestyle into something modern and authentic. With a highly motivated team of professionals, we strive to convert every home into something special.

With the intention to modernise every lifestyle, we redesign spaces that perfectly reflect all the urban requirements. Our projects are decked with a host of contemporary amenities that amplify the overall experience of our valued residents.

We Believe in the value of Giving Back

Corporate Social Responsibility (CSR Initiatives)

As a responsible organisation established and functioning in an economy, we strongly stand by the importance of giving back to society. We strive to deliver comfortable yet spacious homes but more importantly, we focus on shaping the lives of people coming from different spheres of life. Our aim is to give back to society in every possible way and uplift mankind. We think that a sustainable country is built on a strong society. We have launched a number of initiatives such as spreading quality education, healthcare, and creating sustainable livelihood opportunities.

Venkatesh Buildcon actively promotes the greater good by empowering large communities through agriculture development and market linkages, skill development of youth, promoting entrepreneurship, and preservation of ethnicity and culture of indigenous communities.
